

Release Notes 2.1.6

July 11, 2004

The following items have been moved (migrated) to Production for use by Agencies beginning on June 11, 2004.

- Occupational series 1603, Equipment, Facilities, & Services Assistance, was added to the EHRP so that users can create job codes and positions with this occupational series.
- The Personnel Office Identifier table was updated for SPO 1093 so that the new approving official will print on the SF-50.
- The following pay table was updated in EHRP: 132R
